## GUANGZHOU KMS CAMPING PRODUCTS CO.LTD.

Was founded at the end of the year 2001. It is a modern emerging enterprise specializing in the production of various types of military and police equipment. The company has invested heavily in introducing advanced production technology and equipment for luggage and military equipment from the United States, Europe, Japan and other countries and regions, hiring senior production experts and management experts in the industry, and establishing and improving the quality system in accordance with ISO9002-94 "Quality System-Quality Assurance Model for Production and Installation", strictly in accordance with domestic standards. Military equipment grade and US military equipment grade are used to produce various types of military equipment. Products excluding sales are still taking account of domestic market demand.

The company is headquartered in Guangzhou, mainly in the trade and production of luggage, vests and protective gear, the total annual export of more than \$20 million; at the same time in Shaanxi and Ningxia sub-factories, the main production equipment and uniformed uniforms. Our products are mainly tactical knapsack, tactical vest, bulletproof vest, riot suit, uniformed uniform, special protective tooling and military and police protective equipment.

Relying on the unique advantages of Guangzhou, the world's famous capital of foreign trade, the establishment of production and technology development base. The company is located in Baiyun District, Guangzhou, adjacent to Baiyun International Airport, Guangzhou Huangpu Laogang Wharf in the south, Beijing, Hong Kong and Macao Expressway and Jingguang Railway in the north, and transportation is very convenient.

The company is guided by the tenet of "United and dedicated, into the new century, with high investment, advanced technology, first-class products, first-class efficiency, serving users at home and abroad". Adhere to the "quality first, reputation first" principle, to provide customers at home and abroad with the highest quality service. Through talent, information, quality, efficiency improvement, to meet the rapid development needs of the military and police industry.

The company will continue to carry forward the "pioneering, enterprising" spirit of innovation, through a variety of industries, friends of the enthusiasm of support, in order to achieve greater success.

The company sincerely welcome all kinds of talents to the company to display their talents and make brilliant plans.
